N. 7

MINISTERO DELLA SANITÀ

Elenco alfabetico semestrale delle confezioni delle specialità medicinali ad uso umano di cui è autorizzato il commercio aggiornato alla data del 30 giugno 1990 (Art. 2 del decreto ministeriale 31 dicembre 1984 pubblicato nel supplemento straordinario n. 2 alla «Gazzetta Ufficiale» n. 357 del 31 dicembre 1984).

AVVERTENZE

1. Nel presente elenco non compaiono le confezioni di specialità medicinali per le quali il Ministero della sanità ha adottato il provvedimento di sospensione dell'autorizzazione all'immissione in commercio o altre misure (sequestro, divieto di vendita) di analogo effetto. Parimenti, nell'elenco non sono inclusi i prodotti presumibilmente non più sul mercato per ragioni attinenti all'azienda produttrice (ad esempio, fallimento, cessazione di attività), anche qualora siano ancora formalmente registrati.

2. Le aziende farmaceutiche indicate accanto alle specialità medicinali sono le titolari della registrazione dei prodotti, ovvero le rappresentanti legali in Italia delle titolari estere.

3. Le confezioni contraddistinte:

dalla lettera «B», riportata fra i due numeri di codice, si riferiscono alle specialità medicinali che hanno ottenuto la qualifica di «prodotto da banco»;

dalla lettera «H», riportata fra i due numeri di codice, si riferiscono a preparazioni utilizzabili esclusivamente nell'ambito ospedaliero o direttamente, in sede ambulatoriale, dallo specialista.
